VESPER

THE YACHT

Built in 2017, VESPER is a sleek and sporty yacht which balances extreme comfort, and great performance to whisk guests between islands with incredible speed.

Lap up the natural splendour of your surroundings in the utmost style onboard VESPER.

Whilst this unique Vanquish VQ54 motor yacht built by the Dutch shipyard VQ Yachts is designed to impress, she is also designed to thrill by reaching max speeds of 38+ knots.

The aluminium construction offers exceptional rigidity for a smoother, more enjoyable ride, whilst her unique hull design means these vessels are considered extremely dry – complementing the thrilling speed for an unparalleled yachting adventure.

VESPER

THE YARD

"Not for everyone."

This bold slogan captures the essence of Vanquish Yachts. Since its inception in 2012, each their commitment to quality and craftsmanship – the shipyard has crafted a niche for those who seek more than the ordinary.

Aluminium Innovation: Vanquish Yachts was founded to challenge mainstream conventions with the use of aluminium. Offering unparalleled flexibility and strength, Vanquish Yachts are renowned for their exceptional durability, and agility.

Bespoke Customisation: Every yacht is a unique masterpiece. The shipyard transforms clients' visions into reality, crafting vessels that reflect their owners' individuality.

Unmatched Performance: Designed for those who demand the best, Vanquish Yachts ensure a smooth ride at exhilarating speeds, thanks to their innovative aluminium construction and unique hull design.

BROKER COMMENT

“This Vanquish 54 combines sleek, modern aesthetics with powerful performance, making it a joy to pilot on the open water. Its design is not only visually striking but also highly functional, offering exceptional handling and stability even at high speeds.

The craftsmanship is evident in every detail, from the high-quality materials used throughout the yacht to the innovative features that enhance both comfort and convenience.”
